

Application Checklist

Thank you for your interest in applying to the Kaiser Permanente Bernard J. Tyson School of Medicine for the **2023 – 2024 school year**. This checklist will help you prepare for and complete the application process.

Applying to medical school entails many complex and time-consuming tasks. You will not necessarily complete each of these tasks in chronological order, and that's OK. The important thing is to meet all deadlines. Adhering as closely as possible to the schedule will put you in the best position to meet these critical dates.

For additional details and helpful resources, view the [Application Timeline](#).

Before you apply

- Complete prerequisite courses before you begin your first year at Kaiser Permanente Bernard J. Tyson School of Medicine:
 - Behavioral or social science (e.g., anthropology, economics, ethnic studies, psychology, sociology): one quarter or one semester
 - General biology with laboratory: three quarters or two semesters
 - General or inorganic chemistry, or equivalent, with laboratory: three quarters or two semesters
 - General physics with laboratory: three quarters or two semesters
 - Humanities (e.g., art, English, history, literature, philosophy): one quarter or one semester
- Complete the recommended courses:
 - Organic chemistry and biochemistry
 - Calculus
 - Statistics
 - Population health, epidemiology, or other public health course
 - Language other than English (e.g., Spanish, Mandarin, American Sign Language)
- Register to take the MCAT.

Before you apply (continued)

- Request and obtain letters of recommendation.
- Order transcripts.
- Start writing AMCAS Primary Application essays.
